

## With the best wishes!

Our partner Hanns-Martin Kurz leaves Kurz Pfitzer Wolf & Partner with effect from 31.10.2016 at his own request for health reasons.

Hanns-Martin Kurz is not only a brilliant attorney, but was also one of the founding partners of Kurz Pfitzer Wolf & Partner.

All of us at Kurz Pfitzer Wolf & Partner deeply regret his departure. We thank him not only for the great cooperation and his commitment, but also for his always cordial and sympathetic attitude. Together we had not only success as a law firm, but also a lot of fun. We will miss him here very much!

We wish our friend all the best and all the necessary strength on his way to a hopefully soon recovery.
