

Trademark law consulting

Do you have questions regarding how you can obtain trademark protection for names, logos, or other identifiers? Would you like to know what advantages and disadvantages come with trademark protection? Would you like to find out how you can enforce, defend, or commercially utilize your trademark rights? Do you have other questions related to the topics of trademarks and identifiers? We would be happy to advise you in all questions related to trademark law.

What we offer

We can advise you in all questions related to trademark law. We can support you both beforehand during trademark development and in registering the trademark both domestically and abroad and during the subsequent trademark monitoring. We will accompany you during all proceedings before the trademark officials, including everything from opposition proceedings and appeals to removal proceedings.

In addition, we can advise you as well in the use, defense, enforcement, and licensing of your trademark rights both domestically and abroad.

Scope of service

- Examination and assessment of the technical and legal situation
- Consulting with respect to the legal options
- Consulting in connection with trademark development and trademark registration domestically and abroad
- Creating licensing agreements
- Out-of-court representation in a dispute
- Court enforcement before all district and regional courts in Germany by means of temporary injunctions or complaints
- Enforcement of cease-and-desist claims by asserting contractual penalties or fines

Costs

We normally offer these services to you calculated according to the time spent at a suitable hourly rate. We believe that cost transparency and cost reliability obviously form the basis of successful cooperation. We will be happy to provide you with an estimate of the expected costs and the cost risk before taking the job.
